We make it EASY!

Let everyone have fun on our HUGE dance floor.

- Dance Lesson, 30 min.
  - ZUMBA,
- Sound System with DJ Service\*
- Custodial Services\*

Completely surrounded with floor to ceiling mirrors and miniature white lights this venue is one of a kind!

Once everyone arrives, we'll get everyone on the dance floor, run them through the latest ZUMBA - Free Style moves, maybe teach a little DISCO, turn on the Dance Ball - make it a party others'll wish they had!

Meanwhile, you have time to set-up the cake, get any presents or special plans you may have attended to.

Soon the kids are becoming worn-out and HUNGRY!

Once the Party is over, you'll need to clean-up and remove any decorations etc that remain.  
Or for a small fee our Custodial Service is available to look after things.
